SEE BACK FOR MATERIALS ACCEPTED

SOUTH SHORE RECYCLING COOPERATIVE

Keep us OUT of the Trash!
We're too BAD for the Trash

Accepted at some events:

- motor oil*
- antifreeze*
- fluorescent tubes*
- compact fluorescents *
- rechargeable batteries *
- latex paint **
- flares

Accepted at all events:

From the workbench:

- oil based paint and stains *
- hobby/artist supplies
- photography chemicals
- fiberglass resins
- adhesives
- solvents

From the garage:

- flammable liquids and aerosols
- gasoline
- motor oil mixtures
- automotive fluids*
- tire and carburetor cleaners, degreasers
- marine and auto paints

From the shed:

- pesticides, herbicides, fungicides
- fertilizers containing pesticides
- pool chemicals
- cesspool cleaners
- wood preservatives

From the house:

- mercury, including thermometers and thermostats *
- drain cleaners
- moth balls and crystals
- hazardous cleaners and polishes
- poisons
- acids and bases

Asbestos: **CALL AHEAD 781.329.8318**

Materials not accepted include:

- industrial waste
- radioactive materials (*smoke detectors may be disposed in trash*)
- pathological and medical waste
- pressurized gas cylinders *
- lead acid (automotive) batteries *
- explosives (*contact your fire department*)

*** These materials are collected regularly by many retailers and/or towns**

Latex paint is messy, but not hazardous

**** If your paint is still usable** (stored indoors, smooth, not smelly), Recolor Paint will accept at the ** events. Recolor also accepts it at their Hanover site to be recycled into new paint for \$2/can.

Go to www.RecycleReuseRepaint.com or call **339.214.8462** for more details.

If your paint's not that great: remove lid. Air dry or absorb with cat litter or paint hardener, and dispose with trash.

Bring chemicals in labeled, covered containers
